

Dear Reader,

July has been a busy and successful month. We are proud to say that for the first time ever we have 14 usable rooms in the condo building as well as the Olson lounge back up and running. We are also proud to say that most of the single cabins are in usable condition as well. A lot of purging and cleaning was completed in order to prepare for our Family Reunion. Thanks to all for your faithful help and prayers.

Our Jr. camp was a huge success. This year we leaned a little away from our traditional "VBS" style camp and really just focused on the bible. We taught the students how to navigate the bible, memorized scripture, and played "bible drills". The kids loved it. However the best news to report is that on Monday night we had two young girls give their hearts to Jesus. Praise God!!

The 'Family Reunion' camp was also great. Old friendships were rekindled and new friendships made. Thanks to everyone who participated and supported our camp. We also give thanks to two great bands, Jake Holder and The Least of These for great concerts. May God bless all who were involved.
