TIS THE SEASON!

I recently stated in my last newsletter that I would be planning a fundraiser to hold at camp next spring. As I did research and talked to different people about different fundraising possibilities I came to the conclusion that in order for a fundraising program to be beneficial to both the participant and the recipient, it must be simple and easy for the participant to do. I came across a neat idea that camp can implement now.

Gift cards! As a nonprofit organization we can purchase gift cards at a discount for you to use for your monthly grocery budget, household budget, dining, budget, and recreational budget. With the holidays just around the corner you can also purchase these gift cards through camp for your Christmas gifts as well.

As I sat down and did some rough calculations, with enough participants, this fundraising program could generate camp a yearly income of \$5,000. And with even more participants \$10,000! I am currently working on setting up our account with the company that offers this fundraising program. My prayer is that you would consider participating in this program to benefit a good cause.

There will be more detailed information to follow after our account is setup. In the meantime you may visit their website at <http://www.glscrip.com/>. Thanks!

A BIG THANK YOU TO KLEAVER EXCAVATING!!!

As I have stated many times in the past the cleanup from this spring's storm still continues. We are so grateful for Kleaver Excavating for donating a day to camp to help us with the cleanup. There is only about a quarter of the trees left to take down! However, hands are still needed to cut up the trees into firewood. If you know anyone who loves to play with a chainsaw please let us know!

Love Never Fails,
