Happy holidays from our family to yours!

Merry Christmas to you all! Our prayer is that this Christmas season would be the most joyful time you will experience. I recently came across a video on the internet about how Americans spend their time and money during the Christmas season. It was heartbreaking to hear the figures of how much we spend on Christmas each year for each other when there is so much suffering going on in the world. I thought I would

share this link with you to encourage us all to think a little differently this season. <http://vimeo.com/32228346> have experienced great joy in giving to others that are hurting. Instead of spending so much on our own families this season let's give our time instead, make gifts rather than spend on gifts, and give a family gift to a local charity instead. May God bless you this Christmas!

Recent Camp Updates

We have officially shut down the camp for this winter season. Which reminds me, we have still received inquires for winter retreats this year! However, as we all know we can't accompany these requests because we don't have a full season facility yet. Please continue to pray that the funds would come in to finish the Barker Hall project.

- Bunks have begun to be assembled in the boys cabins.
- The camp's well pump has been replaced due to bearings beginning to fail.
- Gift card fundraiser is up and running!
